

MY EMOTIV

Welcome Bill Wiecking!

All **Software** is delivered electronically directly to your account upon receipt of payment. Please click on "[My Purchases](#)" to access your download link.

For **hardware & accessories**, if the item you have ordered is in stock, it will ship from our factory within 14 days. Shipping is generally 3-5 business days. You will receive tracking details when the item ships.

Please note any and all shipping costs calculated in your order include shipping and freight only. Some countries will charge duties and taxes on your purchase. These fees vary from country to country. As such, any duties and/or taxes, if applicable, have not been included in the shipping costs and thus are the sole responsibility of the buyer. If you choose to abandon your shipment and/or fail to pay any duties and/or taxes assessed, you are not entitled to a refund on any shipping/freight costs already paid on your behalf.

Cancellations can only be processed if your order has not yet been sent to our factory for fulfillment. For refunds on shipped orders, please review our refund policy at: <http://emotiv.com/corporate/refund.php>
